EXHIBITORS: SCAM ALERT

Warning to PHCC-GLAA Flow Expo Exhibitors

There may be attempts made by unscrupulous scammers to target PHCC-GLAA Flow Expo exhibitors with offers of free listings and/or ads in show directories that are not affiliated with PHCC or Flow Expo in any way.

You may be contacted by these scammers with an offer to "update your pre-registered free listing in our exhibitors directory". The offer may be designed to look like it comes from The Flow Expo or PHCC-GLAA, but will be a forgery.

If you sign to confirm "the accuracy of your information" you may be agreeing to the purchase of ads or other services delineated in the fine print.

Don't be fooled. Make sure all information confirmations and purchases of advertising are with authentic PHCC-GLAA Flow Expo representatives. If you are in doubt contact PHCC-GLAA at 323-913-7340
